2. Click on Menu 'Stock' and sub option 'Buffer Stock Entry'.

The screenshot shows the DDMIS web application interface. The browser address bar displays "130.61.47.52/FacOnline/Index/Home.aspx". The page header includes the system name "Drug Distribution & Management Information System" and the organization "Chhattisgarh Medical Services Corporation Limited, Government of Chhattisgarh". User information for "CHC Tilda" is shown, including a "Change password" link, a "Logout" link, and the "Facility: CHC, Tilda District: RAIPUR". The last login time is "NOV 24 2019 09:10:23 P.M. IST ( 122.175.146.181 )".

The main navigation menu is located at the top, with options: Home, Stock, Facility, Masters, Reports, Equipment Annual Indent, Click Here, Local Purchase, and Local Purchase Reports. The "Stock" menu is expanded, showing a list of options: Current Stock in Store -Drug Wise, Stock Details Opening-Closing, Current Stock in Store -Batch Wise, Warehouse Stock -Drug Wise, Annual Indent Vs Warehouse Stock, Annual Indent Vs Warehouse Stock All Facility, Annual Indent Vs Warehouse Stock Child Facility, and Buffer Stock Entry (highlighted in green).

In the center of the page, there is a large orange arrow pointing right with the text "DashBoard" in a stylized font. Below this, a blue text link reads: "वार्षिक मांग पत्र 2019-2020 के विरुद्ध आप के मुख्य दवा भंडार में 30 Stockout और Shortage है".

On the right side, there is a "Notice Board" section with a green header. It contains two notices, each preceded by a red star icon: "VC notice for DDMIS on 30 oct (tuesday)" and "D42 SOP Order".

### 3. Buffer Entry Page
